

The "T" In PTA Teacher Membership Challenge

Membership Challenge Guidelines

Here's how to enter into a drawing to receive **one of three FREE California State PTA Convention registration in San Jose on April 28-30, 2017:**

- 100% of your full-time credentialed teachers join your PTA,
- Your PTA increases membership above last year's total, AND
- A completed application is received in the Fourth District office by **February 1, 2017**.

The purpose of this challenge is two-fold. It honors the support and loyalty of our teacher members, and it strives for continued increasing membership.

How does my school qualify? Meet the criteria listed above. (Note: Your unit must be in good standing.) Complete the application with both the signatures of the principal and president. Attach a list of full-time teachers. **Qualifying units will be entered into a drawing, and three schools will be chosen at random to receive the free registration.**

There are four ways to submit your application:

- Mail it to Fourth District PTA, 1520 Brookhollow Drive, Suite #40 Santa Ana, CA 92705. (Make sure it arrives by 2/1/16. A postmark of 2/1/16 is insufficient.)
- Scan and email to: membership@fourthdistrictpta.org
- FAX to: 714.241.0497
- Hand deliver to Fourth District Office

How do I complete the application?

- Every full-time credentialed teacher must have joined, and remitted dues through channels and received in the Fourth District office by midnight on February 1st.
- A list of full-time credentialed teachers must accompany the application. Your principal's signature will verify that all full-time credentialed teachers are listed.
- The signature of the PTA president will verify that dues for every full-time credentialed teacher have been remitted through channels.

How do we determine which teachers to include on the list?

- This challenge is based on the number of full-time, credentialed teachers at your school.
- Para-educators, aides, classified staff, etc... are valued PTA members, but not a part of this challenge.
- Work with your principal. A list of full-time teachers is probably already available.

How do we determine if our unit has increased membership?

- A unit has increased membership if their total on February 1, 2017 exceeds the year-end total of June 30, 2016.
- Council and Fourth District leaders can provide you with membership totals.
