TREASURER RESPONSIBILITIES

Weekly:

Obtain and Review Check Requests

• The expense must be budgeted and funds released
• The check request must be signed by the President and Secretary
• Check must be signed by Two authorized check signers (per by-laws)
• If the expense goes over budgeted amount, it may be paid if it is below the threshold designated in your unit by-laws; if the amount is above that threshold, you must obtain association approval (threshold usually $500-$1000)

Receive and retain copies of bank deposit slips and signed verification forms

Transfer funds between bank accounts as needed using the Authorization to Transfer Funds Between Accounts form OR a check (if between 2 checking accounts)

Obtain a completed W-9 (Request for Taxpayer Identification Number) from any person paid by the PTA. You may also need to supply one when requested. Here is the link to download the form: https://www.irs.gov/forms-pubs/about-form-w-9

Keep an accurate record of receipts and disbursements, which is a permanent record of the PTA. Keep paper copies of all verifications, check requests, transfers, and bank statements. Make notes for auditor as necessary.
TREASURER RESPONSIBILITIES

Monthly:

Work with the PTA president and, as needed, the school staff/principal to maintain updated financial information.

Advise board members of the status of their individual budgets.

Refer to your Council Financial Calendar and meet all deadlines.

Remit Per-Capita membership dues using a unit remittance form.

Reconcile the bank statement.

Back-up financial files if using Quickbooks, Quicken, etc.

Attend monthly PTA meetings and

1. Prepare and present a Treasurer’s Report; obtain approval of all checks/disbursements/transfers
2. Provide a current Budget to Actual Report
3. Move to release budgeted funds in order for expenses to be paid and obtain approval to pay bills between meetings (not to exceed budget)
4. Give your secretary a script to follow!

Note: A 501(c)(3) organization is required to have printed financials available upon request. DO NOT post your financial records online. OK to send out electronically ahead of the meeting to executive board, have paper copies at association meetings.
TREASURER RESPONSIBILITIES

Annually:

Complete and forward and/or file all necessary forms required by the California State PTA, including

1. **Workers Compensation Annual Payroll Report** (due in January) - paper copy to council/district
2. State (199), Federal (990), and Attorney General Registry of Charitable Trusts Renewal (RRF-1) (due in November); Upload all of these forms to PTA EZ Document Management (your president has the log in); File electronically or mail **certified/return receipt** (proof of mailing)
3. Annual Financial Report; Upload to PTA EZ
4. Work with your unit auditor to help complete the mid-year and end of year audits - provide auditor paper copies and/or access to PTA EZ (if using)

Other Duties:

Chair the budget committee (treasurer-elect) and prepare a **Proposed Budget** for adoption at the last association meeting of the year and a **Budget** for adoption at the first association meeting of the year. Release funds for payment of ordinary and necessary expenses over the summer.

Obtain approval at last executive board/association meeting of new check signers and make sure names and offices reflected in the minutes.

Give copies of the **Adopted Budget and Accepted Annual Financial** to your unit president to turn in to council.

After July 1, make sure to update bank signature cards. Banks require that you provide copies of PTA meeting minutes from last executive board/association meeting showing approval of authorized check signers.
NEW PTA INSURANCE REQUIREMENT

The new PTA insurance guidelines now require that **BANK RECONCILIATIONS** must be signed monthly by a non check signer. Monthly reconciliations must be printed out, signed, and provided to auditor as part of audit files.
Annual Budget Guidelines

• The budget committee is organized/chaired by the incoming treasurer. Check by-laws for members.
• The **proposed budget** is adopted at the last association meeting of the year. This allows funds to be spent over the summer.
• Over the summer the proposed budget can be fine-tuned, and the **final budget** created. The final budget is adopted at the first association meeting of the year.
• The budget is a flexible document and can be amended at any association meeting by a two-thirds vote.
• Check your Standing Rules (contained in your by-laws) for any specific budget requirements.
• Make sure your president gives a copy of the final adopted budget to council. (Don’t need to forward up changes that happen later in the year)
• Budgets **should** be balanced but ok if not. (Assumes carry-over funds)
• You can carry over money from one year to the next.
• General rule is **3 programs to 1 fundraiser** (count all passive fundraisers under one fundraising category)
• PTAs cannot include in their budgets money for personal gifts or to purchase gift cards for other purposes (but can reimburse a board member who purchases gift cards or write a check to a teacher/school for gift card purchases)
• All expenses must be included in the budget. If a new expense is suggested, the association MUST vote and approve that amendment to the budget before any money can be spent.
• PTAs can donate money to another non-profit if funds are budgeted.
SPECIFIC BUDGET CATEGORIES - All Separate Line Items

- **List anticipated income/receipts:**
  
  Carry-over funds from last year, membership dues (unit portion), fundraisers, donations, etc.

- **List anticipated receipts not belonging to unit:**
  
  Council, District, State, National PTA dues

- **List anticipated expenses:**
  
  Programs, assemblies, fundraising expenses, administrative costs (bank fees, officer expenses, insurance, training, etc.)

- **List anticipated expenses not belonging to unit:**
  
  Council, District, State, National dues
HOSPITALITY EXPENSES

As a general rule, hospitality that is not part of a program should not exceed 5% of your total budget.

The separate “Hospitality” line item should cover refreshments served at your meetings. All other food and drink items purchased for a specific program or event should be included in the line item for that program or event and NOT in the general “Hospitality” line item.
Donations received for a specific fundraising purpose (i.e., a new computer lab) must be spent for that purpose OR returned to the individual donor.

MEMBERSHIP REMITTANCE

1. The amount your unit can charge for annual membership (which runs through the end of October) is determined in your by-laws. Your unit cannot change this amount without an official change in your by-laws.

2. You must forward up at least **15 members** to your council by the end of October to remain a unit in good standing. Use a remittance form.

3. In your budget, show membership as income and pass-through (income not belonging to your unit). The pass-through income category should match the pass-through expense category.

4. If you are using **Totem E-Membership** you should use a separate income budget line (“E-membership dues”) to track these payments which are deposited directly into your bank account. Totem deposits the unit share and automatically distributes the council, district, state, and national portions of the dues, you do not need to.
"You're not allowed to use the sprinkler system to keep your audience awake."
Handling/Counting Money Received
