

NEURODIVERGENT FAMILY NIGHT 2023

Good To Go! From Head To Toe

A child development initiative delivered by **Pretend City**
CHILDREN'S MUSEUM

Play With A Purpose!

Serving our neurodivergent communities with a low stimulation experience in the museum.

This special night is an opportunity for children, their caregivers, loved ones, and therapists to engage and explore in an inclusive environment that supports their overall development.

During this night, trained professionals will provide support and resources to you and your family while you play.

Learn More: www.pretendcity.org/nfn

This event is free to all families and therapists!

Registration Required | Opens two weeks prior to event

Pretend City has learning spaces such as the Dentist and Doctor's office where children can prepare for upcoming appointments and test a variety of environments in safe ways. Other learning spaces like Trader Joe's and the library can teach your child valuable life skills they can use every day!
